

The image shows the back of a black tablet. On the right side, there is a vertical strip of ports and a camera. From top to bottom, the features are: a small circular camera lens, a power button, a volume up/down rocker switch, a 3.5mm audio jack, a TF card slot, a DC charging port, and an antenna. A white rectangular box is placed in the lower center of the tablet's back, containing the text 'FCC ID Label Location'.
